Dear Como Town & Zoo, Rochester.
I've had the most fun at Como town
when I go on rides and see the
the super Cute animals.
I think that you should be
presented with a Huge Medal
and trophy.
When I first came I got my face painted
like a cat, and I saw a real tiger
after that. Your rides and zoo
has the best rides and animals.
I really hope I can come
there soon.

Ashley W.
